

CLAUSE H-21 – LIST OF SUBCONTRACTORS AND MANUFACTURERS (August 2002)

- (a) The Subcontractor shall within thirty (30) calendar days after receipt of the notice of award of the subcontract or within such time as the Subcontracting Officer may otherwise approve, submit in writing the names and addresses of all lower tier subcontractors proposed for the work and the extent and character of the work and estimated monetary value of the work to be done by each. The listing shall be maintained current by submitting the same information for additional lower tier subcontractors when available. Such subsequent submittals shall be made not less than thirty (30) calendar days prior to commencement of work by the lower tier subcontractor. Nothing contained in this subcontract shall create a contractual relationship between any lower tier subcontractor and SURA.
